LE TOUQUET - Paris Plage

In the heart of a mature pine forest, the resort of Le Touquet represents the essence of the French Opal Coast. Known by Parisians as "Paris Plage" ie. *Paris by the Sea*, Le Touquet is situated directly on the sea front, with fifteen kilometres of golden beach over looked by sprawling dunes and forest and offers the ideal venue for some rest and relaxation. Whether you would prefer to wander along the golden sands, shop at Le Touquet's boutiques, enjoy one of the many open air sports activities or simply sit at one of the pavement cafés watching the world go by, Le Touquet offers you the choice.

A quiet area of the beach is a 10 minute walk across the sand dunes or the main beach activities are a few minutes drive into town.

The apartment is situated less than a mile from the very heart of the vibrant town centre which is offset by the peace and tranquillity of your lakeside setting.
